**A. REC's Advice to Investor**

- 1) **REC advises its investors to apply in Demat mode. REC shall also pay incentive of Rs. 500/- per person once after a month of allotment if the bonds are applied in Demat mode.** If an investor does not already have a Demat account, they can open Demat account with REC empaneled Depository Participants as well with Zero Account opening charges and Zero Annual Maintenance Charges for five years. The list is attached at page 5. However an investor can also apply for the Bonds in physical mode also.

The advantages of applying in demat account are as follows:

- Faster credit in demat account (15 days after allotment) as compared to physical dispatch of Bond Certificate (45 days after allotment).
- All changes can be done from a single place itself i.e. bank account, nominee, email, mobile no, address etc.
- No chances of loss/theft of Bond Certificate.
- REC fetches the data for interest/redemption payment from Depository Participant, therefore accuracy increases manifold.

While applying in demat mode, please double check the details like DP-ID-Client ID, First Holder/Second Holder/Third Holder with Client Master List (CML). Payment will be made in favour of sole/ first holder. In case there is mismatch in the details provided in the application and Client Master List than the investor shall be allotted Bonds in physical mode.

- 2) **REC advises all investors to appoint a Nominee in respect of their investments in Physical Mode.** If investor does not wish to appoint a nominee, then they are required to fill form ISR-3 (The same can be obtained from <https://recindia.nic.in/uploads/files/Form-ISR-3.pdf>).
